

TRAIL GLOVE 4 KNIT WOOL
Fall/Winter 2018

Overview: This Barefoot shoe becomes even more one-with-your foot with its 3D knit sock-like construction, blended with wool for warmth in cool weather.

• **Lead Technologies:**

- **3D Knit** – Merrell constructed 3D Knit in the same way socks are made: by wrapping durable, elastic threads all the way around the foot. The result is a sock-like structure that is designed for each individual shoe, maximizing the knit's unique 4-way stretch.
- **Merrell Barefoot** – construction is minimal yet protective for versatility outside.

• **Features:**

- Knitted wool upper for 360-degree sock-like fit
- Elastic cord and lock lacing system for quick secure fit
- Protective TPU toe cap
- Hyperlock™ TPU Im heel counter for security
- Integrated footbed
- 2mm cushioning layer for increased underfoot comfort
- TrailProtect™ pad offers additional support o road
- Vibram® TC5+
- Stack height (heel/toe) 11.5/11.5m; footbed: 0mm; insole: 3mm; midsole: 4/4mm; sole: 1.5mmweb, 3mm lug
